Docket No. 98N-1265
Food and Drug Administration APR 15 09:49
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

If it were not for compounded medicine I would have been at the hands of people who served groups instead of individuals. My quality of life has been improved partly since I began taking them. My outlook on life is brighter and I feel like a whole person again.
